

Tickets are still available for the Alcona County George Byelich Memorial Fall Color Bus Tour for Wednesday, October 3, 2018.

This is a day-long tour mostly in, but sometimes outside, of Alcona County aboard a school bus. The theme or route is always a mystery.

Originally the brainchild of the late MSUE Director George Byelich over 30 years ago, the tours highlight the treasures hidden in plain sight in Alcona County.

The cost is \$20 per person, which includes lunch and snack breaks, and begins at 8:30 a.m. at the Alcona Senior Citizens Center, returning there at approximately 3:30 p.m.
